THE INDIVIDUAL IS OUR MAIN CONCERN

MOBILE FLEXIBILITY

MAI[®]2MIXMERKUR

FOR ALL PURPOSES

It's definitely hard to find a mixer which is as flexible as the MAI[®]2MIX MERKUR. The reasonably priced horizontal mixer is small enough for practically every boot and at your service for a vast variety of applications within seconds.

FOR ALL SITES

Easy to transport and equipped with a 230V-connection, the solid MAI[®]2MIX MERKUR is your perfect mixer for small building sites or working areas, which are difficult to access.

GLUING, NOT CLOGGING

Thanks to removable MAI[®]CODUR mixing shaft, with which also fresh mortar and adhesives can be processed in highest quality, the MAI[®]2MIX MERKUR is the perfect device for precision work like the pasting of insulating materials.

Due to the easy-to-adapt MAI[®]CODUR mixing tube even adhesive remains can be washed out easily and residue-free.
