

Digital Pressure Gauge

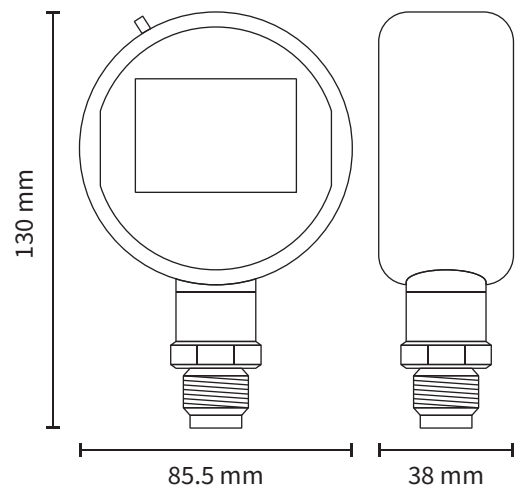

DPG - 2024

Accuracy	0.05%FS
Pressure Range	0 - 160 bar
Overload Pressure	150%
Working Temperature	-5 - 40 °c
Sampling Frequency	1 - 10/sec
Protection Class	IP65
Screw Mount	M20 x 1.5
Power Supply	USB-C 3 AAA Batteries (last up to 1 year)
Supported Connection	USB-C Bluetooth (with dedicated app)

Features:

- Record and export data with PC or app
- 330° rotational dial
- Ambient temperature measurement
- Backlight
- Min & Max pressure display
- 8 switchable pressure unit
 - bar
 - MPa
 - ATM
 - kgf
 - PSI
 - mH2O
 - inHg
 - KPa

Dedicated app with:

- Data logging
- Sampling rate adjustment
- Unit adjustment
- Zero clearing function
